Parents of Year 6 and 7 Students: An evening with Michael Jeh

As we move closer to the transition of our students (your children) from primary into high school we think it is important to bring parents together with staff to discuss this in greater depth. Accordingly, we would like to invite you to a parent information evening on Wednesday the 26th March at 6.30pm in GPAC. This session is designed to provide you with information that will be shared with your children on April 3rd about how to best make the transition to high school a successful one.

Staff will be present along with a guest presenter Michael Jeh. Michael is a parent at Ferny Grove State School and a highly respected facilitator of programs for young people in elite young athlete programs as well as both primary and secondary schools. He will run sessions for students after the parent session and it is absolutely critical that you hear the messages so that you can reinforce them as appropriate. Michael has met with Tammy Drake our P&C President to share his messages and discuss a range of programs that he offers for young people. We are hopeful this is the beginning of a strong and productive partnership with Michael as a means of more ably equipping our young people for the times ahead.

This is a not to be missed opportunity for all parents (Mothers and Fathers) and we strongly encourage your attendance. Where possible we would like to have both parents attend. Light refreshments will be available prior to the session.

**Student sessions**

3rd April 2014

**Parent information session**

Date: 26th March 2014

Venue: GPAC

Time: 6:30 for a 7pm start.

Please complete the attached RSVP and return to your class teacher.
