

ENROLMENT FORMS

Dear Parent/Carer,

Welcome to Grovely State School. Thank you for your interest in enrolling your child in 2024 or beyond. It is our intention to connect as a community, so that we collectively *experience remarkable* for all our learners.

An Enrolment Form is included in this pack so you can begin the process. Please complete and return to the school, either by email or drop back to the Administration Office. Please also include a copy of your child's birth certificate.

Enrolment forms can also be found online at grovelyss.eq.edu.au/enrolments/enrolling-at-our-school

Upon receiving the completed forms, we will arrange an interview with yourself and your child to complete all other relevant documents and to meet our Deputy Principal.

Montessori at Grovely State School

In 2009 our school introduced a Montessori learning program to our school. Grovely State School was the first primary school in Queensland to take this step. The inclusion of this program complements the quality mainstream program and offers greater choice of educational provision to families in our locality. While two learning programs are available our community is strongly united in purpose: to provide quality learning experiences that holistically prepare students for their futures.

School staff will be available to discuss this program with you at the Open Day if you would like additional information. Numbers however are limited, so we encourage applications as soon as possible if you are interested.

If you have any questions, please do not hesitate to email our enrolments staff in the administration office at admin@grovelyss.eq.edu.au

Warm regards,

Eliza Borsht

Principal

Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act* 2006 (*Qld*) a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education.
 Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

The Grovely State School uniform has been designed to be practical, sun-safe and comfortable to wear. To promote a positive pride in our school, and to readily identify our students and to minimise the appearance of social difference **all students are to wear their school uniform every day**. All students attending our school are expected to wear the school uniform when:

- Attending or representing Grovely State School
- Travelling to and from school
- Engaging in school activities out of school hours.

Grovely State School has a formal and sports option and is gender neutral.

Unisex Uniform

Summer

Hat: Maroon broad-brimmed or maroon reversible bucket hat.
FORMAL Shirt worn with shorts or skorts: Formal maroon and white checked shirt.
SPORTS SHIRT: Maroon polo shirt.
Shorts: Maroon shorts of an appropriate length
Socks: White
Footwear: Enclosed black shoes, e.g. joggers. Thongs are not acceptable. For health and safety reasons, footwear must be worn at school.

Unisex Uniform

Winter

As for the summer uniform with options of a maroon zip up jumper, unisex long pants, maroon stockings.

Long sleeve Polo worn with unisex long pants, shorts or skorts.

Girls addition items

FORMAL Dress: Formal maroon and white checked dress. **Skorts:** Tailored maroon skort.

Sports/Swimming Day's Uniform

Students wear a polo house shirt the colour of their sports house on sports events days. (e.g. cross country, athletics carnival and swimming carnival). The house colours are: Madsen: Yellow Patrick: Green

Dawson: Red

Students are required to wear maroon unisex shorts or skorts with the house shirt and the appropriate shoes for the particular day.

Swimming

Girls: One-piece swimming costume.

Boys: Regular swim shorts or swimming togs. Board shorts are acceptable for swimming lessons. A sun safe rash shirt and a swimming cap must be worn by all boys and girls for swimming lessons.

Inappropriate Dress

Inappropriate dress refers to clothing or apparel worn by students that is deemed to be:

- Offensive
- Likely to disrupt, or negatively influence normal school operations
- Unsafe for student or others
- Likely to result in a risk to health and safety of student or others

Where there are individual cases of conflict with student dress codes, or persistent failure of a student to uphold the code, or a student is inappropriately dressed, the school may:

- Offer appropriate item/s from a bank of clothing/uniforms held at school;
- Take action that prevents risk to student or others, or action that maintains normal school operations;
- Inform student's parents or carers and discuss further with parents or carers, representatives of school and student to prevent recurrence.
- Implement a process of conflict resolution or mediation if student persistently wears inappropriate dress after discussions have been held with parents or carers.

For health and safety, all students must wear appropriate footwear. Thongs or footwear with high heels are not acceptable. Singlets as outer garments and mid-riffs are considered unsuitable on all school days, including free dress days and athletics days. Our Sun Safe policy requires students to wear hats with brims for skin protection during lunch breaks and for PE lessons. We enforce a **NO HAT – NO PLAY!** Policy.

When a student attends school in inappropriate clothing the student may be provided with appropriate, clean items from our spare uniform cupboard or from our Chaplain. In certain circumstances, parents may be contacted. Students whose dress is considered inappropriate may be withdrawn from attending an activity in which the student is representing the school or an activity that is an essential school educational program.

Jewellery

Due to Workplace Health and Safety reasons any form of body piercing, except for ear piercing, is not acceptable for school. Wearing any form of jewellery at school is not recommended due to potential injuries that can occur through, for example, the innocent tugging of bracelets or earrings, or accidental injury caused through scratching by rings worn by students particularly during sporting activities and physical education. One pair of stud earrings or small sleepers is acceptable. Rubberised bands are not to be worn around the neck or wrists for obvious health and safety reasons. No responsibility is taken for safe-keeping of any form of jewellery worn by students.

Hair Colour

Natural hair colour for all students is preferred. Temporarily coloured hair is permitted during sporting events and however it should be clearly communicated that non-permanent hair dyes (not food colouring or blonde) should be used so that it can be removed post the event. The colouring of hair can only occur with parental/carer permission in the home environment.

The school uniform is available for purchase from our school uniform shop. For families experiencing financial hardship, please contact our chaplain for second-hand uniforms. The uniform shop also sells second hand uniforms. Start of year packs are available through the uniform shop. Hair accessories are available as well
