The P&C at Grovely State School

Parents and carers
supporting our school
community.

At Grovely we work alongside the school to keep things running smoothly and to create the best environment we can for our kids. Some of us help at events, some attend meetings, some help from home. Every bit counts.

With the P&C, we help:

- run tuckshop and the uniform shop
- support teachers and students
- organise community events
- raise funds for school resources
- strengthen connections across the school community

*Give us a follow and
keep up to date with
what's going on and
how you can help!*

Why Join the P&C?

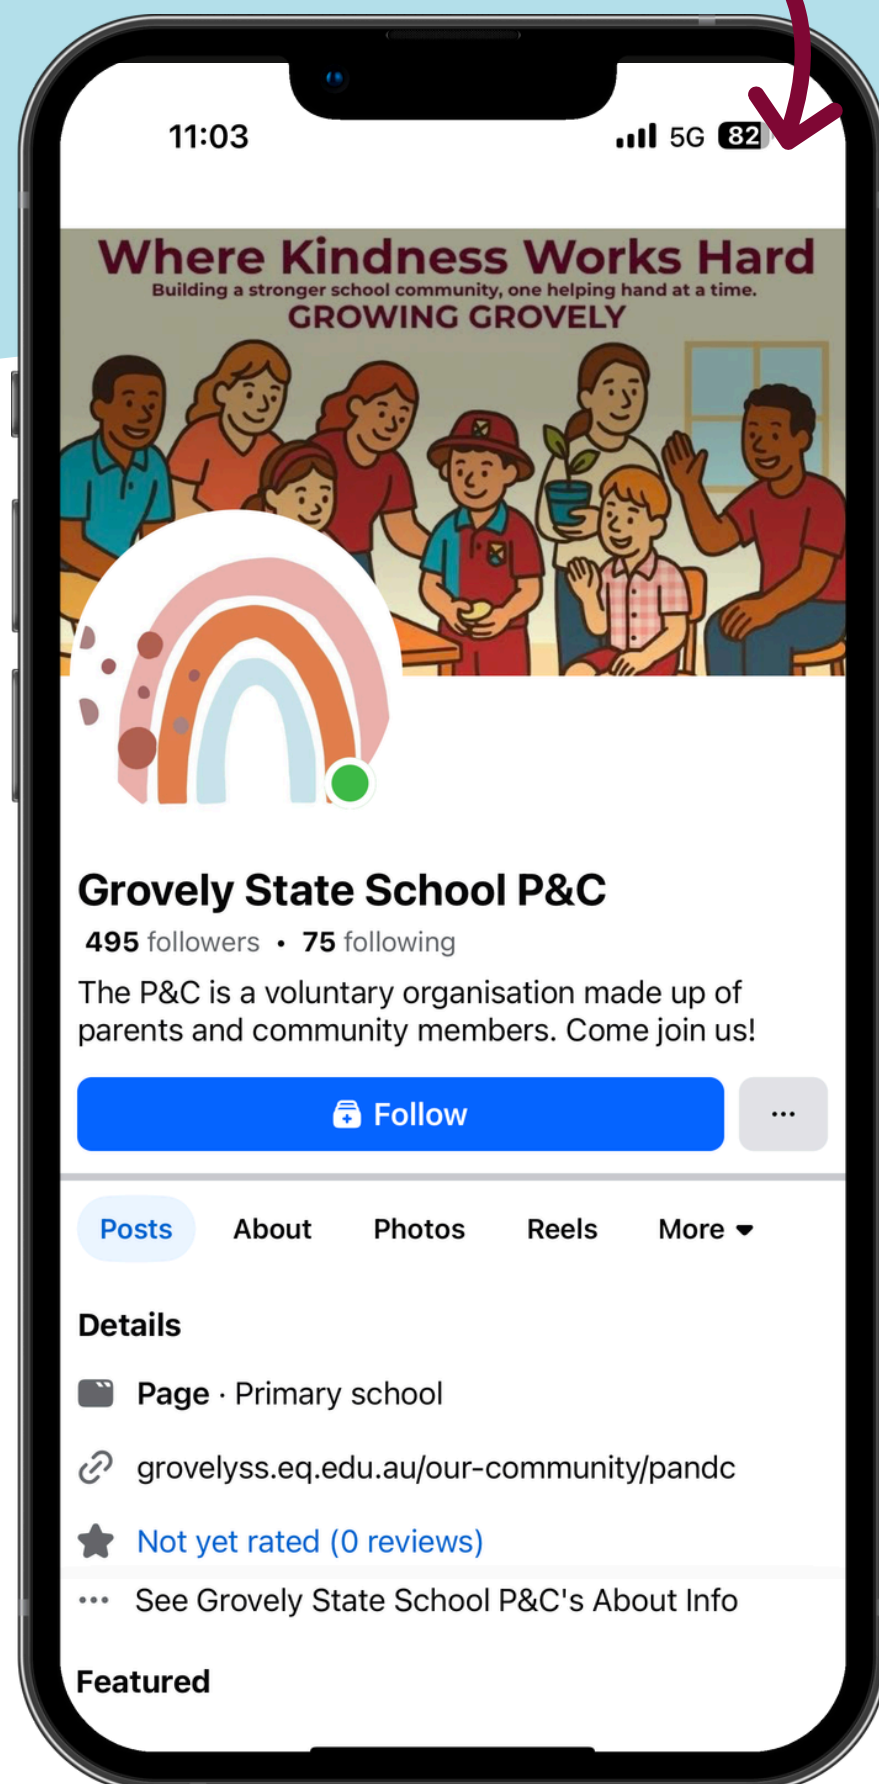

Being part of the P&C isn't about taking on big jobs. It's about being connected, informed, and having a say in things that affect our kids.

- Meet other Grovely families
- Stay in the loop with school projects
- Support teachers and students
- Help shape events and improvements
- No pressure, no minimum commitment

How to Get Involved

You can join in whatever way works for your schedule.

- Come along to a meeting
- Volunteer for an event (even once a year helps)
- Offer skills from home
- Or simply become a member to stay connected

**Every helping hand strengthens our school community
we'd love to have you with us.**
